

## **The Intergen experience awaits you!**

*Start your journey in this digital age supported by tech gurus and inspiring leaders.*

You are a passionate graduate, and are now on the hunt for the right path in the digital world. Start your journey with us - Apply for the Intergen 2018 Graduate Programme today!

**We're looking for digital savvy graduates:** high achievers with a completed degree and a passion for technology.

Computer Science, Software Engineering, and Information Systems graduates – Check out our Developer, Consultant and Engineering opportunities.

Graduates with business and any other degrees – Check out our Consultant and Sales opportunities

You just have to be **passionate** about a career in technology and **committed** to learning the ropes.

**We'll offer you:** the chance to make your mark in a team of talented and supportive tech masters. You'll get to work on exciting projects for incredible clients. You'll play your part in designing, developing, and integrating technology to enable successful and intelligent business solutions.

## **WE'RE COMING TO SEE YOU!**

**WHEN:** 4<sup>th</sup> May 6pm – 7.30pm

**WHERE:** Centre for Innovation Seminar Room

**Register on [OtagoCareerHub](#)**

### **More Information**

You'll find more about our Graduate Programme (including information about the application process) on our [Grad Recruitment Facebook page](#) and [Graduate Careers webpage](#). And if there's still something you'd like to know, feel free to get in touch – we'd love to hear from you!
