

Orion Health Coding Competition

Code to solve problems, win prizes and step towards getting a job at Orion Health!

Code to solve problems, win prizes and take your first step towards getting a job at Orion Health!

You'll get a taste of the type of thinking that goes on at Orion Health and get some hands-on experience in coding.

The contest is in pairs, so bring a friend or get matched up at the event. The three winning pairs will have a great chance at being hired, and will be fast-tracked through the application process. On top of that you'll get amazing prizes (stay tuned for photos!) and lots of free pizza.

Join us at Otago University in In Lab F and E, Owheo Building at 5:30 pm.

HINT: 'What's the deal anyway?' – don't be left as the last one standing

There are limited seats available, so sign up soon and we look forward to seeing you there!

You can register for this event on [OtagoCareerHub](#)
