

## **Invitation Guest speaker from Industry (COMP151)**

**Guest Invited:** Greg Bodeker (Director of Kekule Games Ltd in Dunedin)

**Activity:** Greg introduced his industry experience and his current project on his beta testing programme. Students were invited for joining his game testing project as a case study and Greg was able to provide cash prizes for the top performers. Students were very interested and participated.

**Outcome:** Though such industry supported activity, students can not only feel more encouraged, but also gain some industry experienced towards a job-ready graduate.
